AMENDMENT AFTER FINAL

Dear Sir:

In response to the Office Action dated June 22, 1999 (Paper No. 13) in the above-referenced patent application, please make the following amendments:

IN THE CLAIMS:Please amend Claims 33 and 35 as follows:

33. (Amended) A method of updating a system environmental setting [status] for a computer, the method comprising the acts of:
 sending a command for remotely updating a system environmental setting [status] from a second computer through a remote interface to a first computer;
 executing the command on a microcontroller in the first computer; and
 sending an update system environmental setting [status] signal from the microcontroller to the first computer thereby updating the system environmental setting [status].
